### **Here's What We Do Best in Personal Lines**

- Coastal property
- High valued homes
- Builder's Risks
- Pers Umbrellas with older/younger drivers or poor MVRs
- Multi-family rentals
- Vacant Dwellings
- "Vacation Rental" program
- Primary or XS Flood where an insured has experienced an increase or has recently been re-mapped
- Older construction
- Protection Class 9 & 10

*With 240 years of combined underwriting experience amongst our staff, and tremendous results, our carriers have provided Quaker with the broadest authority in New England. And, if for some reason the risk falls outside our binding authority markets' appetites, Quaker has Brokerage carriers with whom to place the account. We remain committed to providing our loyal partners with superior and knowledgeable service, innovative products, and aggressive & competitive pricing.*
